

Provides the opportunity to learn how to read, write and speak English as second language for those who have very little to no knowledge of the English language. Each class will be planned independently to benefit the students who enroll.

Courses include 10 consecutive weekly classes (barring major holidays). Classes meet once a week for 2 hours at our location. The curriculum of our language program is built for groups of three or more students who complete the material in 10 weeks. With fewer students, except for private, the group class material is covered in full in less time -- namely, seven weeks for two students.

Each listing below is a separate course.
